0 5 Arpan Sharma Apr 13, 2018 Helpful application The app is a bit buggy, I was trying to import the data and it came with a error, let me know if you need it FundTrac Version: 0 19 Julia Grajczyk Jun 17, 2017 An excellent application This is a very useful application. My husband and I have the same type of fund portfolio. We would like to compare the same funds and select the best one for each category. He was searching for an application that does this and found FundTrac. FundTrac Version: 0 6 Mauro Mauledda Dec 27, 2016 Good tool to analyze This is a good tool to analyze your fund portfolio. But there are some tools that may not be so useful to analyze fund portfolios. FundTrac Version: 0 5 Mauro Mauledda Dec 27, 2016 Good tool to analyze This is a good tool to analyze your fund portfolio. But there are some tools that may not be so useful to analyze fund portfolios. In an appearance today on the Alex Jones Show, Alex Jones expounded on numerous issues that still have not been addressed by the mainstream media. One aspect in particular was the New York-based 7/7/01 terrorist attack that saw multiple planes crash into the World Trade Center, and included planes crashing into the Pentagon and the crash of American Airlines Flight 77. Jones said that the attack, which killed 2,996 people, was due to the fact that it was being planned by the Mossad and the Israeli military. "Under the false cover of wars, 9/11, we're even being told that Israel is in charge of the American military in the Middle East, when in fact what Israel was doing was using the Americans to wage a war in the Middle East," said Jones. "And what we know for a fact is that they were planning all of this for a year and a half in advance and it was going to be a massive event." Jones went on to talk about the fact that the United States has purposely not investigated the crash of Flight 77 that came down at Pentagon, despite there being a passenger hijacking. "If we had the truth and knew what happened
