Autodesk Revit and ArchiCAD share many of the same tools. ArchiCAD was launched originally as a companion program to Revit, but now it can be used as a stand-alone product. ArchiCAD is a graphically rich, yet procedurally flexible, 3D modeling and...Q: How do the UK's cabinet ministers decide on the time at which the Queen has prorogued Parliament, and how does this compare to the US government? The UK government decided to have Parliament dissolve at 11:30 on Tuesday. This, as far as I understand, is not a decision taken by the Queen or the Prime Minister, but instead by the Cabinet, under the procedure known as proroguing Parliament. The question I have is how is this decision made? How are member of the Cabinet chosen in the first place, and how does it tie in to the decisions of the Prime Minister? Is it still possible to change the timing of the proroguing, and if not, why not? I also want to know how this decision compares to the US government. How is the proroguing decision made? Could we then compare the differences? A: It is made by the Cabinet, under the procedure known as proroguing Parliament. As far as I understand, this is not a decision taken by the Queen or the Prime Minister, but instead by the Cabinet. In the UK, it is the Prime Minister who formally prorogues parliament. That makes a big difference. Parliament sits all the time. It is not "dissolved" on
