Q: How to center the TextBlock for the Action Menu items I have used the ActionMenu because I wanted my app to be more similar to the look and feel of the Google Play store. I have successfully implemented the menu in the XAML,

---

using the XAML code in this answer. What I now need to do is center the text for the menu items inside the MenuItem. I'm not sure if this is possible and how to go about it. Please 6d1f23a050
