C:\WinRAR\WinRAR.exe -- ask me questions if I haven't explained the instructions very well. Addendum Figuring out how to use CMD (either in the command prompt or powershell) can be quite difficult for those who have never attempted it. Here is a basic and simple tutorial that I wrote up a while back that may help you. And here's a link to my CMD Zone in case you'd like to dig through it all. A: I want to thank all of you for your help, especially mcgroarty and coenforce for providing the solutions and helping me to accomplish the installation. Also, thank you Juze for pointing to the lost "07JanPatcher.exe.zip" files, which I found and changed it to "Mini07JanPatcher.exe.zip" as it is more accurate. :D For anyone who may be wondering how to make changes to the source files I used the below process: Try the following "tools" without actually installing them. C:\WinRAR\WinRAR.exe, C:\WinRAR 6d1f23a050
