Droid 3 - Grey version I want to get a gray version of the Droid 3, but there seems to be no official word on what the color of that phone will be or even when it's coming out, and the color grey seems to be very popular these days. Is the color grey available at Verizon? I also read that the screen of the phone may be a true Black and Gray screen, which is very cool. Why the Droid 3 has no official word on the colors: Apple's iPhone 5 had colors on the phone (red, black, white) when it came out. But the Droid 3 (and some other phones) came in the Verizon store only in black & white, and other colors were available later. Verizon and Motorola went to great lengths to not announce the phone, and wanted to give it some breathing room and they succeeded in doing that. Note that the same thing happened with the Droid 2... 6d1f23a050
