We are here with an example how to download the drivers for Intel X5200 VGA Chipset. Aston PCB (just in case). Another example how to download the right drivers for Intel X5200 VGA Chipset. Attachmate (just in case). And last an example how to download the correct drivers for Intel X5200 VGA Chipset. Now that you know the free type of the driver to download, you can search on our website to find the exact model. Just select the model in the search box on the left and click the download button. But if you can't find the model number, you have to guess the VGA Chipset type. Yes, you read it right, we don't know or don't list all the possible types. The Intel X5200 is one of the most common VGA Chipset, so we can safely say that most of the VGA Chipset for you will be compatible with the X5200. If you can't find the right driver, just try with one of the other types and let us know if it worked for you. If you have a newer laptop, you will most likely find the correct driver for you if you first look at the main menu (Fn + F2), then go to the Device Manager and in the Graphics section find the "Intel X5200" section. There you'll find the driver which you need to download. If your PC is from the year 2000 or older, then it will be different because there aren't Intel Chipsets from that time, just use the manual which comes with the laptop or look up on the Internet if your laptop has a manual (we provide the manual by a link on this page). NOTE: The instruction manual or the driver CD should come with the laptop. You'll find them for download on the main site: www.download.com, www.driverguide.com or www.drivers.download.com Then just download the driver for your device and run the setup.exe file to install the driver and that's it, you're done. The Casanova IPO bill might have passed the Senate, but it's coming apart in the House. On June 12, the House of Representatives voted to eliminate a provision that would allow the Treasury to provide up to \$10 billion for the IPO, effectively killing the bill. "I'm not going to have this bill be the vehicle
