.Outlander Star Caitriona Balfe Has Never Been Happier British actress and Outlander star Caitriona Balfe is happy after sowing romance with her Scottish nobleman. The actress plays Claire Randall in the TV adaptation of Diana Gabaldon's beloved book series Outlander. Caitriona reveals that her character is happy after growing close with her new husband, Jamie. She shared, "I'm quite happy actually. I have had a whole lifetime of never being happy, ever. [But] the last couple of years with this show, I've been absolutely, thankfully, happy." Caitriona also appreciates the

magic between Claire and Jamie as they face their many troubles. "We get to tell the stories of two very wonderful people," she continued. "Both of whom have their own narrative to live through and you get to see how they handle it. One is a young woman who's been separated from her family and friend-family, and the other is a young man who's also facing his own [troubled] history and finding himself, and together they get to tell the story of who they are." The actress also admitted that Claire's reunion with James is more poignant. "It is kind of a heartwarming thing for me to be playing, because it's really about Jamie and Claire and how they meet again and again and again. But every time you see them, it's a little bit different and a little bit more interesting. This is my love letter to Diana Gabaldon. I love her writing. I think it's extraordinary." Do you think that the reunion of Jamie and Claire is magical? In
