

Download

Coub is YouTube for video loops. You can take any video, trim the best part, merge with other videos, add soundtrack. This could be a funny scene. You can make a GIF from any part of the video. Coub can be shared on social media by adding a link to your presentation. If you want to create a presentation or speech, you can use Coub as a slide. In this video, I'll show you how easy it is to create presentations with Coub. Set up everything for your presentation 1. Set up your slideshow with Coub. 2. Turn on the demo. It allows you to show a real-time slideshow to anyone who views Coub.
