

June 1, 2020 / 209 comments · February 17, 2022 at 2:49 pm Reply: Hello! Thank you very much for your response! As for your question, I can't exactly answer it because I don't have the information you have. There are only a few assumptions about this. We thought for a very long time with colleagues about the reason for this state of affairs. And we came to the conclusion that there are several reasons for this. ...
