The history of the ballet is like a tale of two cities—or three, if you count the Tokyo "ballet" circuit and the French (or perhaps the other) "ballet." The principal rivalry, for most of the 20th century, was between Paris and Moscow. After the collapse of the Soviet empire, that competition has been displaced by a growing balletic presence in New York City.

But New York's ballet ancestry extends back before the glory days of the Bolshoi and the Kirov. Over the years, dozens of smaller companies have given concerts, premiered new works, and performed as guest artists with established companies. The history of the two major American companies—American Ballet Theatre and Ballet West—is woven into much of the city's architectural history. As such, it's no longer just about ballet at the top of the social hierarchy, which is how it's often been regarded. The Ballet Guild of America, Inc., formed in the early 1900s, was initially a cooperative association of artists in the New York area. Its first president was Aleksandr Gorsky, one of **Diaghilev's Moscow ballerinas** c6a93da74d
