Electric Quilt 7 (EQ7) Software Tutorial. This is the book you asked for! EQ experts show you how to design round quilts, hexagonal blocks and quilts. The book provides step-by-step guidance regarding the development of different types of quilts. The book contains a large number of photographs, diagrams and drawings to help you create quilts. The EQ7 comes in two parts, each offering new ways to create different quilts. The first part of the book is a quilting guide that describes the different types of quilts as well as the technique used in each step.
