Detectives Joseph Marra and Ronan O'Connor are investigating the brutal murder of Ronan's wife, Camilla, in Salem, Massachusetts. In a town where nearly every past resident is a murder suspect, it is up to the detectives to figure out who committed the crime. In order to do so, they need to become the suspect themselves, collecting clues while exploring the town, reading the minds of the living, investigating the case of the missing girl, and interacting with the spirits of the dead. Where the traditional police investigation left off, Murdered: Soul Suspect gets you into the mind of the killer... in an even more intimate way. Murdered: Soul Suspect is a dark detective thriller with a supernatural twist: the mystery you are solving is your own murder from the afterlife.
