This is the worst operating system I ever owned. The only thing that did not reset the date was the Windows recovery partition. It reset every time I installed a new OS. My only hope is that someone successfully unlocks it before I can contact my contacts. This will not work until it is unlocked by the firmware developer. I will be the first to admit that this was my fault. If you have an Apple iPhone, iPod Touch, or iPad, I recommend you open iTunes and follow these steps, otherwise your iTunes app will not work. 5ec8ef588b
