Skyrim Voices.bsa EnglishI

Hi everyone! I need help. If anyone plays Skyrim with English voice acting, please share Voices.bsa and VoiceExtra.bsa for me. I downloaded them from here: <http://www.skyrimnexus.com/downloads/file.php?id=48861>, but they don't work. When I try to run I get the message "the file is not a Bsa-converter file". I canâ€™t find information on the site or on the forums about what version of the game I have, what version of this Bsa converter itself, and what needs to be done with it. Thank you in advance. (By the way, does anyone know what these files are that I need? Maybe they have something to do with Skyrim?
