

Gianna gasped as I choked her on my shaft. I never could get a good grip on her skin. It felt so thin and soft. I wouldn't be able to last long if I continued this. I needed to flip her over so I could kneel on the floor. While I was in the middle of getting her pussy ready, I was still sitting on her belly. I gasped as I slid my sweaty cock up and down her wet slit. The fabric of her thong slid up and down. I gripped her breasts and squeezed them. Her nipples were so hard they hurt. I covered her with a pillow and got on my knees. I slid my cock into her slick pussy so far that I filled her up. I couldn't believe how well Gianna took my cock. I fucked her with my hands on her butt. I used my thumbs to rub up and down her pussy lips and clit. The room was hot and I could tell Gianna had just moved out of the shower. I couldn't wait any longer. I didn't have much of a grip on her as I slid my cock in and out. Her belly began to bounce as I got deeper and deeper. Her juices coated my cock and made it slippery. I pulled her ass cheeks apart and started to slam my hips as hard as I could to fuck her. I bit her nipple. She gasped in pleasure. I made her suck on me. Her throat wrapped around it all the way down my shaft. She took in as much of my manhood into her throat as she possibly could. I pulled it out to look at it. A mixture of saliva and sperm glistened on its tip. I rubbed it between her huge tits. She was aroused enough to bite me back. I wasn't sure if she wanted to be rough though. I grabbed her hands and immobilized them on the couch. She groaned in disappointment. She was powerless to stop me from fucking her. Gianna had no choice but to endure what I had planned for her.

Come on, Gianna, I snapped. Come on, bitch. That little fucking bastard cried from inside her. Gianna whimpered and her eyes filled with tears. Her bulging belly jiggled like a ticker-tape parade while I continued to pinch her baby. C'mon, Gianna. When I grabbed ahold of her plump, pregnant belly, Gianna screamed. I really hit a nerve. The fear of losing her baby sent her over the edge. She let out a frantic moan. Since I was holding a baby I didn't need to hold her hand. I moved my finger back and forth across her baby. Her baby girl wailed in agony. That felt good to me. It was incredible to know I was really hurting her. You're such a bitch, I said. The word sent a rush through Gianna's body. I wondered if I could kill this little bug inside her belly with my words. Apparently it felt good because she moaned loudly. I thought I had it, I continued. Now I'll have an awful hard time getting my baby out. You gave me a goddamn baby. I'm just going to cut it out and toss it into the trash. Look, Gianna, I said. I'll let you have this one time only. When the baby comes out of your pussy I'll let you have it. If I'll help you get rid of it, will you do whatever you want to me? I just wanted to get her pregnant without any of the pain I experienced when I actually got pregnant from Ryan. You know I like it rough. I can help you get rid of it before the baby comes out. I'd hate for that to come out tonight because you were going to tell me to stop.' I glanced up at Gianna. I wanted to see what her reaction was. I snapped my fingers and the cream hardened. I sat on her bed with her, I ran my hands along her belly. I knew she was pregnant as hell but somehow, this was extra amazing. I slid my big fingers in and out of the hood of her plump tights. Gianna moaned. Her tits jiggled with each pass. I lifted her tights and felt her skin. I couldn't even get a full grasp of her fleshy pussy and it was huge! I flipped her over onto her stomach and started working on her. I sat on her back and ran my hands up her back. My cock got even harder just thinking about the new sex life I was about to have. I slipped my hand into her tights and massaged her butt cheek. It felt amazing. I used my other hand to spread her rear cheeks apart. I enjoyed the feel of her. You suck and will do anything I say, you got that? I didn't answer. 5ec8ef588b
