
Photolemur 3 1.1.0.2443 (x64) Multilingual _BEST_

photolemur 3 1.1.0.2443 () multilingual + portable (x86) + portable (x64) Photolemur is a handy program for managing your photos. You no longer need to waste time searching for the desired images on your computer, now you can view them on your smartphone, tablet, or any other device using this application. The utility displays images as small photos. If you want to view all photos, or just view all photo albums, all you need to do is swipe your finger across the screen of your device.
