## What's New in the Elegant Icon Set?

We created this icon set to be as unique as you and your imagination. We were inspired by the world of design and we wanted to create this icon set because it felt right for us. We hope you enjoy it as much as we do. This icon set is great for: personal (and business) use. website design Corporate identity. Web sites home pages For software developers For designers. Website design The world of web is all about the possibility to create something from nothing. But with all that creativity there's also a whole bunch of over-used material. In order to cut through all the noise, you need a set of memorable icons to represent the core of your site. With this beautiful set of icons, you will be able to add the personality of your own domain to your webpage. Personal use We've created this icon set because we believe that we can do more than just create good-looking icons. We want you to enjoy the process of creating and using this icon set. We want you to have fun and be inspired. Why We Created This Icon Set The Elegant icon set is the first of its kind. It combines the best quality icons in one set. We do not take away the possibility of having a unique icon set that represents your personality and the feeling of your own site. We let you choose the image you like best. ElegantIcons is a great icon set to be used as a web icon set, a desktop icon set, icon set for software design, or a business icon set. We created this icon set to be as unique as you and your imagination. We were inspired by the world of design and we wanted to create this icon set because it felt right for us. We hope you enjoy it as much as we do. Free We provide you with a free icon set which can be used in personal projects and in your personal collection. Airtight We designed this icon set with this in mind - the icons have been carefully crafted to be airtight and to work on many different platforms. Files We created this icon set in vector format to ensure the highest possible quality and resolution, and to make it easier for you to edit the icons. Trademarked We have taken great care to ensure that the design and branding of this set is properly maintained. We use high-quality textures in the icons and we have made sure that the icon set works on all platforms. Passion We created this icon set because we love design. We love seeing how creative people can be. We love watching the creative process as we go through it with our team. We love the thought of what the future holds and how design can improve our lives.
