What's New in the?

Maxtor Firmware Repairer is designed to recover data from Maxtor drives by automatically repairing the firmware. It can scan the disk and identify all partitions and file systems and automatically repair the most of them. Maxtor Firmware Repairer recover files and sectors in a very fast and efficient way and it can even fix the previously damaged file systems. The application is especially useful if your disk is showing the following symptoms: - Misidentified in the BIOS or the disk is not recognized correctly - Disk head begins to spin in the middle of the disk without any reading / writing / formatting - The disk spins continuously and it takes a long time to start up - The disk works slow - The Disk can be seen in the BIOS but all sectors are bad (stuck) - Partitioning fails The program will replace the firmware of your drives in just a few clicks. It will work even if you have an infected drive or failed disk. In addition, Maxtor Firmware Repairer is free of charge. Main features: • Automatic HDD repair • Simple to use • No code or understanding required • Allows you to scan hard drives quickly • Identifies file systems and partition types • Can repair damaged file systems • Can repair file systems that previously had problems • No data loss • Supports the following drives: Maxtor Quattro, Maxtor 1, Maxtor 2, Maxtor Quattro SE, Maxtor Quattro LT, Maxtor 3, Maxtor 4, Maxtor 10, Maxtor 20, Maxtor 30, Maxtor 40, Maxtor 50, Maxtor 55, Maxtor 60, Maxtor 70, Maxtor 80, Maxtor 90, Maxtor 100, Maxtor 110, Maxtor 120, Maxtor 140, Maxtor 150, Maxtor 160, Maxtor 170, Maxtor 180, Maxtor 200, Maxtor 300, Maxtor 350, Maxtor 380, Maxtor 400, Maxtor 450, Maxtor 450 SE, Maxtor 500, Maxtor 500 SE, Maxtor 600, Maxtor 700, Maxtor 800, Maxtor 900, Maxtor 910, Maxtor 940, Maxtor 950, Maxtor 955, Maxtor 960, Maxtor 968, Maxtor 970, Maxtor 971, Maxtor 972, Maxtor 973, Maxtor 975, Maxtor 976, Maxtor 977, Maxtor 986, Maxtor 988, Maxtor 989, Maxtor 990, Maxtor 991, Maxtor 992, Maxtor 993
