Book rating.Q: how to use magento setup function?

Where can I find the best example to use the Magento setUp Function? I want to do something like this with my custom module: \$this->setUp();

A: You can do setup by in the constructor of the test case class, For example, public function \_\_construct() {

```
$this->_setup();
```

```
$this->_addTextFields($this->_productAttributeRepository); } Q: Android: Prevent data to be saved in the phone storage without giving target permssion I have developed an application in which the user has to save all the data in the phone storage.I am getting this exception: java.lang.SecurityException: Permission Denial: writing com.example.testapp.files require permission
```

```
android.permission.WRITE_EXTERNAL_STORAGE at android.os.Parcel.readException(Parcel.java:1465) at android.os.Parcel.readException(Parcel.java:1419) at com
```
